New Business:

An ODS member asked with barns closing and people looking for stalls, is it possible for ODS to somehow have a roster of people with public and or private barns with stalls indicated thru ODS by advertising or listed in ODS Roster. With this not being an ODS endorsement. Carol Stevens will bring up at Board meeting and write a proposal and submit it to ODS board for consideration. Corrine S. indicated an ODS member can put available stalls they have in the classified section online on the ODS website.

An ODS member who was not able to attend the No. Reg. meeting asked if the minutes could be online to read. Carol and Corrine will work on this possibility.

ODS members have been commenting on the price of recognized shows, availability of getting into shows, and volunteers burning out. Mary, Corrine and Carol discussed options of chapters paying show secretaries, managers and having food compensation for volunteers. Corrine mentioned at other breed shows, 1/2 of stall charge has been paid for volunteers.

Possibility ODS Adult team and League Champ. show will flip-flop in dates. Gaye McCabe is working on this.

Corrine S. reminded us can renew ODS and USDF memberships online.
